Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer. - Psa 19:14

READY TO SERVE

As a member of the body of Christ, I've learned a few things along the way that you may find interesting. This walk with Jesus Christ is a fascinating journey that is best shared with friends.

The articles presented on this site are just a small token of the enormity of God in my life. He has taken me through many tests, trials, struggles, pains, heartaches, and tribulations. However, I've found him to be true to his word. *"I will never leave you nor forsake you"*.

Please feel free to contact me if you need a prayer partner, a friend to speak with, or you just want to say hello.

Is It Really Important?

Wealth, Fame, Fortune

Life has a funny way of helping you to realize what is truly important. Some may say its the career that is truly important in life; once you get to the top you just look down on everyone below. Others may say its the money that is truly important in life; once you have all you need you can rest, knowing that you can handle what ever life throws your way. Then it happens! What you might ask . . . life happens.

A certain man in the bible had everything that life had to offer. He had great wealth, family, cattle, and anything else that comes with being the rich's man in the east could afford. Then it happened . . . he lost everything that he had. Note that this was a test of his faith in God (Elohim). During the heat of his trial while he lamented, he said, "Man that is born of a woman is of but a few days, and full of trouble." When the rain falls from the sky,

Message for the Month

The economic downturn that our country faces is one that finds a lot of people out of work, laid off, or accepting lower wages to make ends meet. In my opinion, now is an excellent time to re-evaluate your career path.

Re-certification, seeking higher education, or even taking some night classes may prove to be the edge that you need to get things moving forward or even providing a higher visibility during promotion time.

Remember, Jesus says that he will bless what ever you put your hands to do. The goal here is to “do” something wherein your hands may be blessed of the Lord. Have your local Pastor or Minister lay hands on your hands for a season of blessings.

Is It Really Important!

everyone below gets wet. Trouble doesn't reside at a specific zip code, a certain hemisphere on the global, or even on a region on the map. Trouble occurs to every one that lives, breathes, and move on the planet. The question that we must ask ourselves is, how will I deal with trouble when it comes to my area?

The bible tells us that these trials come to make us strong. The strength that it refers to is character. God wants to

build our character through test and trials in order for us to trust him more. He will not put anymore on you than you can bear to carry. His says that his yoke is easy and his burdens are light. So what truly is important in life is, a good character.
