## What Does God Think?

*It's time to worry about what God thinks of you!*

Are you completely satisfied with your life? Having major trouble? Or just not happy with the way things are going? If you are not completely satisfied with your life try Jesus. Searching for a better life it's time to try Jesus. *"Come unto me, all ye that labor and are heavy laden, and I will give you rest."* (Mat 11:28) Don't believe in God and all that Jesus stuff. Could it possibly be that the dissatisfaction in your life is because you don't believe in God and the Jesus Stuff?

You'll never truly know until you've tried Jesus! Why all the fuss about Jesus? Don't you think it strange that we can talk endlessly and make a fuss about the obscene, vulgar and crude, but are reticent when it comes to the mere mention of the name Jesus? Stop worrying about what others might think of you. It's time to worry about what God thinks of you! Jesus is truly the answer to your discontentment and with out stretched arms he's waiting to satisfy you completely.

# What Does God Think?

*"Delight thyself also in the LORD; and he shall give thee the desires of thine heart."* (Psa 37:4)

You can choose whether to forgo being completely satisfied with your life or try Jesus! Unless you turn to Jesus, complete satisfaction in life is unattainable and you will constantly be dissatisfied with everything you have and everything you do. The key to complete satisfaction in life is Jesus! If people truly understood the connection between Jesus and complete satisfaction with life, there

would be considerably more happy people. Come on! Try Jesus you'll feel a lot better about yourself and life!
