## Sin In America

*What's the greatest domestic issue America faces today?*

What's the greatest domestic issue America faces today? Is it the rampant drug use by young and old alike? Is it the public education crisis? Is it the fuel and energy Crisis? Is it the lack of affordable health care? The greatest issue

America faces in the 21st century is sin! Sin has disrupted and destroyed countless lives. Yet America and indeed the world have very little understanding of its impact.

According to USJD statistics there has been over 2 billion violent crimes in American since 9/11/01. In America, the sin meter continues to register: a murder every 22 minutes (thou shall not kill), a robbery every 49 seconds and a burglary every 10 seconds., (thou shall not steal) And the cost of crime (sin) continues to mount: \$78 billion for the criminal justice system, \$64 billion for private protection, \$202 billion in loss of life and work \$120 billion in crimes against business, \$60 billion in stolen goods and fraud, \$40 billion from drug abuse, and \$105 billion

# Sin In America

from drunk driving. Crime in America, which is a direct result of sin, cost America \$670 billion dollars a year. Although all sins are not crimes what most will not admit is that all crimes are sin. Almost \$4.1 billion a year is spent on direct medical and mental health care services in the America as a result of intimate partner violence. My fellow Americans, our greatest domestic issue comes as result of our response to the worst danger to mankind, sin. Many of the problems society faces

today have their roots in this single source, sin. The scandalous truth is that sin is the greatest domestic issue America faces today! As it was in the days of Noah such is the situation in America today!
