We Need God!

We are tempted to focus our attention solely on what's going wrong.

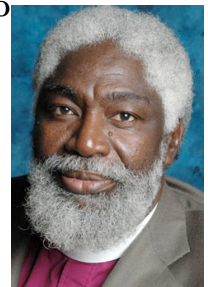

When we face the cares and toils of the world, we are tempted to focus our attention solely on what's going wrong. Our hearts are filled with fear simply because we can't see beyond our troubles. In times of

financial struggle or just "plain old trouble" we feel vulnerable and insecure. I think we can all agree that it's not a feeling to be cherished. Most of us hate not being able to supply our own needs; we want very

Thus our fears about our daily struggles and needs are constant reminders that we are God connected and that it is he who supplies all our needs. When all else fail

God is with us in spite of the prevailing circumstance, “for he is faithful that promised”. God gives and God takes away and is with us in each circumstance. “People of God” we can rest in him!
