Bible for Dummies

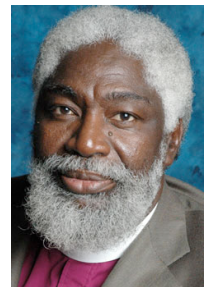

The Bible a Manual on Living for Dummies

If you have had any experience with a computer and the internet no doubt you've come across a series of instructional books called for Dummies. These books are non-intimidating

guides for readers new to the various topics covered. Wouldn't it be nice if we had such a book for living life? I've got some good news for you we do! The Bible!

The bible is an instruction manual to living life. It is a guide to quickly becoming successful in living life the right way. Taking the advice given in the bible and applying it to your daily life, you avoid the frustration and pitfalls that besets all newbie's. We're not talking about installing a hard drive or increasing Ram speed. This isn't about html elements and attributes.

From the Pastor's Desk

Have a question about the Bible, need help understanding a scripture?
