Rosh Hashanah Instruction Page

This page is designed to assist the saints during the course of the service to direct the proper course of action that should be taken. Remember that we are in the Lord's house on his holy day, so please refrain from unnecessary talking, walking, and gestures.

All family members should sit together for this service. Ushers should distribute one candle per family/household. Visitors should be encouraged to join a family so that they might partake of the blessings.

The blowing of the Shofar is done to call the Assembly to order. **The whole congregation should stand during this time. A praise of Thanksgiving is given after the sounding of the Shofar**. The Shofar blower designates (the praise)

Proclamation of the New Year

The Pastor will say the following *Le-shanah tovah!* (A good New Year). After he ushers in the New Year, everyone will take a slice of apple and dip it in honey. The Pastor will conclude this portion of the service by saying *Le-shanah tovah u-metukah tikateivu* (May you be inscribed for a good and sweet year). The congregation will respond *Gam le-mar* (The same to you). All the saints will eat their fruit then return to service. The deacons will collect all refuse and place it in the trash receptacle.

Candle Lighting Ceremony

CONGREGATION RECITE THE FOLLOWING: "Today we gather to thank you, Adonai for all the goodness in our lives, for the beauty of nature, for the love we feel for one another, for your Rosh Hashanah Feast which we share. May our celebration increase our awareness of your ongoing gifts O God."

ORDER OF THE CANDLE LIGHTING CEREMONY

The Elder of the Temple lights the menorah.

The family of the Elders begins by proceeding to the front to light the family candle.

The head of the household or the oldest male may light the candle.

The family (see next page) repeats the blessing. The candle is then sat on the table and the family returns to their seat.

This continues until all families have completed the candle lighting services. (If the congregation is very large, more than one family may proceed at a time. All families at the front should repeat the blessing together).

After the candles have been lit from each family, the Elder of the Temple pronounces the blessings upon the congregation according to Deut. 28th chapter.

At the completion of the blessing, the Elder will extinguish all candles.
